

Dear present and past Crescendo singers, and friends,

Crescendo will be one of the 10 choirs joining a **global program to aid Haiti through CARE**. This consists in something quite different than what we normally do - which is singing an inspirational Pop-Song composed by the head of the initiative, Amy Carol Wolff (born and raised in CT, now an Indiana University graduate student specializing in non-profit management and founder of [zyOzy](http://zyozy.org) Foundation). This will be filmed. All 10 videos will be put together by the foundation and used in several ways for the cause. Please read more about this at their Press Release: <http://3blmedia.com/theCSRfeed/Global-Initiative-Haiti-Relief-Calls-Choirs-Join-Forces-Sing-Haiti>

What is our job:

Come prepared to sing on **Saturday, February 6 at 10AM**. We will rehearse this a few times together and then it will be filmed. Location to be confirmed (most likely Trinity Church in Lime Rock - but certainly in the Lakeville/Salisbury CT area). Do you know of any Kids/Youth that could participate in this? (we have a few so far joining us)

Here is the song by Amy Wolff "Brighter Way": <http://www.youtube.com/watch?v=JK1e2QxwFw4>

Any of you able and willing to join this:

1. **Email me** back asap.
2. You will get from me a **score** in PDF (I will make a simple arrangement for us). All choirs sing back to the same accompaniment track provided by the foundation (the piano/synthetizer part in the video).
3. You will have to learn at least the **chorus by memory** (if the whole song is too challenging, it is fine to join by just singing the refrain: *Show them there's a Brighter Way...*) - start learning right now with the YouTube link! <http://www.youtube.com/watch?v=JK1e2QxwFw4>

You also find more info, link to the words, a basic score and the song itself on:

If you can't sing - please make a donation towards this fund via the Internet, on the Brighter Way Haiti Choir Citizen Effect project page:

Thank you.

We are so privileged - I am very glad that we can contribute in some way.

Best to you all.

Christine
